

Jelena Ajdukovic

Junior full-stack Web developer

About

I am the passionate individual in love with coding. Transforming dreams and good ideas into reality and creating websites that works and looks amazing is my great ambition. I am self-motivated, precise, and I highly respect deadlines. Also, I indeed enjoy problem-solving and finding creative solutions and explanations using logic.

Education

2014-2015 **Faculty of Science, University Of Novi Sad**
